NOTICE

State law requires that you be given the following information: CAUTION PESTICIDES ARE TOXIC CHEMICALS. Structural Pest Control Operators are licensed and regulated by the Structural Pest Control Board, and apply pesticides which are registered and approved for use by the California Department of Food and Agriculture and the United States Environmental Protection Agency if proper use conditions are followed or that the risks are outweighed by the benefits. The degree of risk depends on the degree of exposure, so exposure should be minimized. If within 24 hours following application you experience symptoms common to seasonal illness comparable to the flu, contact your physician or poison control center LOS ANGELES COUNTY 1-800-222-1222 and your pest control operator immediately at 310-787-7445. Your operator is Shield Pest Control. For further information contact any of the following:
